DETAILED ACTION

1. Claims 1 to 8 are presented for examination.

Priority

2. Receipt is acknowledged of certify translation papers submitted under 35 U.S.C. 119(a)-(d), which papers have been placed of record in the file.

Allowable Subject Matter

3. Claims 1 to 8 are allowed.
4. The following is an examiner's statement of reasons for allowance: the primary reason for the allowance of the claims is the inclusion of the limitation of "wherein the second read procedure is different from the first read procedure." The prior art made of record teaches a method for adjusting optional speed of optical disk drives according to different read modes; however, the prior art made of record, taken alone or in combination, fails to teach or fairly suggest or render obvious the novel element of the instant invention.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
